MEDICAL REPORT.

Ditchett,

Romford.

During 1928, 507 patients were admitted to the Hospital, the same number as last year.

The private wards have been in constant use, and, in the children's wards, a few full-size beds have again been of great use.

There has been a change in the nursing staff during the year, Miss Monk leaving and her place as Matron taken by Miss Mackenzie, R.R.C., F.B.C.N.

The whole of the nursing staff has made every effort to add to the comfort and happiness of the patients.

S. R. WRIGHT,

Hon. Medical Officer.

ROMFORD.

FORTY-FIRST ANNUAL REPORT

For the Year ending December 31st, 1928, adopted at the Annual Meeting
of Subscribers held Thursday, January 31st, 1929.

1. The Committee of Management presents the 41st Annual Report and begs to congratulate the subscribers and donors upon the completion of another year's useful work.

2. Commencing with 16 patients in the Hospital on the 31st December, 1927, 516 fresh cases were admitted during the year, making a total of 532. The numbers show a slight decrease, 6 patients compared with the previous year, but as the Hospital was partially closed for a considerable time in the summer for very necessary repairs and decorations, and as the average duration of stay in the Hospital was 14 days per patient instead of 13 as in 1927, the average daily number of patients increased from 19 to over 20.

3. During the year 1928 the Endowment Fund benefited by £50 from Upminster, £35 Romford Charity Cup Competition (Mr. A. S. Giles Chairman, and Mr. J. W. Rogers Hon. Sec.), making a total of this fund £587. A further £7 from the Romford Thursday Charity Cup Competition was also received (Mr. A. S. Giles Chairman). The Fund also benefited by the substantial legacy of £2,000 from the Estate of the late Mr. F. W. Turpin, of Hornchurch.

The Committee has pleasure in recording its thanks to the Postmaster, Mr. E. Gilchrist, and his staff, for the organisation of yet another exhibition of vegetables, fruit, jam and eggs. The exhibits, to the weight of about 1,000lbs., besides eggs, being presented to the Hospital.

The total income for the year was £3,782 0s. 1d., an increase of £350 upon the previous year, particularly welcome, as a very heavy expense for repairs and decoration of the fabric was unavoidable. Annual subscriptions show a gratifying increase of £55. Grants were received of £240 from the Alexandra Rose Day Fund, £100 from the League of Mercy, £287 from the Romford Tradesmen's Christmas Gift Committee, £30 from the Hospital Saturday Fund. £124 15s. 5d. was received from the House-to-House Collection through the untiring efforts of Mrs. H. C. Woodcock and her band of helpers, to whom warmest thanks are due.

The thanks of the Committee are gratefully accorded to the Alexandra Rose Day Committee, organised by Mrs. W. J. A. Nichols and Mrs. A. E. Box, and many friends in Romford, Hornchurch and Upminster; to the League of Mercy for their grant; and to Lady J. J. Smith for her kind recommendation to that fund; to the Prudential Assurance Company for their cot support; to the L.N.E.R. Stratford Employees Hospital Fund £20; to the Romford Tradesmen's Christmas Gifts Committee, of which Mr. W. J. A. Nichols is Chairman and Mr. A. S. Giles is the Hon. Secretary, supported by Mr. F. Ottley and Miss D. Ottley and other Members of the Committee; to the Stock Exchange Mutual Subscription Fund; Mrs. W. G. Key and A. Veryard, Esq., for donations of £25 each; to W. King, Esq., Havering, £15; to the members of the Aldgate Ward Lodge £10 10s.; to L. Weenen, Esq., £10 10s.; and to Miss Dorothy Gay for her continued collections of foil, which have realized this year £12 5s. 3d.

To Ministers of the various Churches at which collections were made for the Hospital; to the organisers of special events during the year, namely, Pound Day at the Hospital and Upminster, the Carnival and Sports, and Rose Day at Upminster and Hornchurch. To the Romford and District Motor Club; the organisers of the Hornchurch Junior Imperial League Dance and the Havering Dance.

4. Valued help was also given by the employees of Roneo Ltd., Romford Gas and Coke Co. Ltd., and Transport Department of Ind, Coope & Co. Ltd., in the form of weekly subscriptions, and the Committee hopes that other employees' groups for this purpose will be formed. The contributors to these funds are entitled to free maintenance in the event of their becoming patients in the Hospital.

5. The Children's Ward has accommodated 243 patients during the year 1928, making a total of 719 since its opening in 1925.

6. The thanks of the Hospital are due to the Upminster Committee for their continued and successful efforts, the results of which show increasing amounts handed over, also for the commencement of an Upminster Endowment Fund in 1928.

7. Most hearty thanks are due to the Hon. Medical Officers for their indispensable services throughout the year, and the co-operation of all the medical practitioners in the district is earnestly invited.

8. Thanks are accorded to the Lady President, Mrs. Edward Bryant, for her unstinted service to the Hospital throughout her year of office, the help from Harold Wood being much appreciated.

9. Staff.—During the year a change of Matrons took place, and the lady appointed upon the resignation of Miss G. Monks was Miss E. D. Mackenzie, R.R.C., F.B.C.N., who saw considerable service in France throughout the War.

10. The Committee thank the Hon. Auditors, Mr. Cecil D. Nixon, Chartered Accountant, 27 Chancery Lane, and Mr. S. E. Carter, for their valued services.

11. The Committee are thankful that the income has sufficed to cover the expenditure during the year, and warmly thank all kind friends who have assisted to this result, but would point out that except for the legacy of £100 from the late Mrs. M. A. Graham and £287 from the Romford Tradesmen's Christmas Gift Committee, the result would have been a rather heavy deficit, and while the annual subscriptions show an increase, this item is proportionately too small, and hopes are entertained that a considerable increase may be made under this heading. While again thanking all friends for their generous support, and trusting for its continuance, the Committee does earnestly hope for a very considerable increase in the amount of annual subscriptions, which to be properly proportionate to the total income should be more than double the present amount.

“Avoca,”

Ingrebourne Gardens,

Upminster,

Essex.

28th January, 1929.

To the Hon. Secretary, Romford Cottage Hospital.

Dear Mr. Box,

I beg to enclose accounts of the Upminster Fund for the period 1st December, 1927 to 31st December, 1928.

You will, I am sure, be pleased to see that the total amount of our receipts compares very favourably with that of previous years.

True, our “Pound and Rose Day” collections were not up to last year’s standard, but this, I think, is due in large measure to our inability (owing to other causes) to have our “Flag Day” on “St. George’s Day” as in previous years.

I should like to thank very much the following Lady Collectors for calling on Subscribers, and getting in the Annual Subscriptions so promptly:—

Miss Basden, 29 Engayne Gardens.

Miss Burrell, “The Bungalow.”

Mrs. Calvert, Esdaile Gardens.

Miss Sheidow, “Dangan,” Engayne Gardens.

Miss Stanford, “The Cedars,” Hall Lane.

Much credit is due to these ladies for their valuable assistance.

As you will observe we have paid to the Romford Cottage Hospital for the period under review a total sum of £286 0s. 6d.

I should like to take this opportunity of mentioning that we are shortly to lose the services of our esteemed Chairman, Mr. G. H. Attenborough, who is leaving the district.

He has been a “Tower of strength” to us, and we shall greatly miss his invaluable aid, and advice, in more senses of the word than one.

I also wish to thank our Hon. Auditor, Mr. F. W. Young, of “Bournville,” Courtenay Gardens, for auditing our Accounts and preparing our Financial Statement.

In conclusion, may I add that the Cottage Hospital has many good friends in Upminster, and we hope that the financial results for 1929 will be as good, if not better, than the year just closed.

Yours sincerely,

JAS. S. KYDD,

Local Hon. Secy.

RULES

(Adopted at the General Meeting of the Subscribers held February 7th, 1888; June 4th, 1889; June 8th, 1893; August 4th, 1910; June 20th, 1912; June 5th, June 19th, 1913; June 11th, 1914; January 29th, 1920; January 31st, 1922; January 27th, 1927; and January 24th, 1928).

1. The Institution shall be called "THE VICTORIA COTTAGE HOSPITAL."
2. The Hospital is intended for the reception of non-infectious cases of curable disease and accident, which cannot be efficiently treated at the homes of persons residing within the Parishes of Romford, Havering, Hornchurch, Dagenham, and Upminster; but cases may be admitted from Parishes adjoining, at the discretion of the House Committee.
3. Persons of unsound mind, or suffering from infectious or incurable disease, or women advanced in pregnancy shall not be eligible for admission, but this shall not prevent the House Committee from admitting, at their discretion, exceptional cases of incurable disease, where partial or temporary relief may be afforded. Patients developing infectious disease after admission into the Hospital shall be removed as early as possible.
4. The Site, Building, Furniture, and all property belonging to the Hospital requiring investment, shall be vested in the Trustees of the Hospital for the time being, but the disposition of the Property thereof shall be vested in the persons entitled to vote at the meetings of Subscribers and Donors under Rule 17. All money which may hereafter be raised or acquired, and which it may be considered desirable to invest for the permanent endowment or otherwise for the purposes of the Hospital, shall be vested in the names of the Trustees, and be held by them as an Endowment Fund. The Trustees shall have power to resort to the capital of the Endowment Fund (if any) if the exigencies of the Hospital shall be deemed by the persons entitled to vote at the meeting of Subscribers and Donors under Rule 17 to render such a course desirable. The powers of appointing new Trustees from time to time shall be vested in the persons entitled to vote at the Meeting of Subscribers and Donors under Rule 17.
5. The Hospital and its domestic arrangements and the current expenditure shall be under the control of the Committee of Management. This Committee shall meet monthly, on a fixed day, five to form a quorum, and shall consist of eighteen members (of whom three shall be nominated by subscribing Friendly Societies) to be elected at the Annual General Meeting of Subscribers. The Committee of Management shall have power to add to the

number elected at the Annual Meeting of Subscribers when necessary, provided that such number be limited to eighteen. A record of attendances shall be submitted to the Annual Meeting previous to the election. The Committee of Management at its first meeting shall elect eight of its number to act as a House Committee whose duty it shall be to attend each week at the Hospital and receive reports from the Medical Officer and Matron and generally to carry out the duties of supervising the staff. The Committee of Management shall likewise fill any vacancies that may occur during the year on the House Committee. The Committee of Management shall also appoint a Finance Committee from its own members or otherwise, consisting of three members whose duty it shall be to meet at least once each month for the consideration of all matters relating to finance, and to report at the regular meetings of the Committee of Management. The first business of each Committee shall be the election of a Chairman.

6. The Magistrates of the Romford Petty Sessional Division (after notification and acceptance), Donors of £50 and upwards, and Annual Subscribers whose contributions have reached £50, shall be Patrons. Upon the recommendation of the Committee of Management, the Annual Meeting may elect persons rendering extraordinary service to the Hospital to the office of Patron.

6a. Any person having collected and paid to the Funds of the Hospital a sum or sums totalling £25 or upwards as a donation or any nominee of a Committee so collecting £50 and upwards shall be a Life Governor.

7. The Honorary Officers shall consist of the President, Patrons, Medical Officer, Hon. Treasurer, Joint Hon. Secretaries, and Hon. Entertainment Organizer, who shall be ex-officio members of all Committees. The receipt of the Hon. Treasurer or Joint Hon. Secretaries (or some person nominated by them) shall be a good discharge for all Donations and Subscriptions.

8. The Hospital shall be under the charge of an Honorary Consulting Medical Officer, and an Honorary Medical Staff, who shall be elected at the Annual Meeting of Subscribers. Intimation of the election shall be given by the Secretary to all other Medical men practising in the Parishes of Romford, Hornchurch, Havering, Dagenham, and Upminster, who shall be requested to co-operate with the Medical Officer whenever required. Any duly qualified Medical man in the district whose patients may become inmates of the Cottage Hospital, shall have the facilities for attending his patients in the Hospital, provided such practitioner shall comply with the Rules 10 to 15, and especially Rules 2 and 3. All Medical and Surgical attendance shall be given gratuitously in the General Wards, but this shall not prevent Private Ward cases being occasionally admitted to the General Wards by arrangement with the House Committee provided the patient thus admitted pay half the usual Private Ward fees to the Hospital in advance weekly.

9. All Subscribers of £1 1s. and upwards during the current and/or preceding year (and the wives of such Subscribers) shall be entitled to visit the Hospital upon convenient occasions. A book shall be kept in which all visitors shall be invited from time to time to make any remarks or suggestions for the consideration of the Committee of Management.

10. Patients desirous of admission must be provided with a recommendation from their Medical Attendant. Cases shall be admitted once a week on a certain day, to be fixed from time to time by the House Committee, but the Medical Officer shall have power to admit at any time an urgent case without a recommendation, reporting it to the Committee at their next meeting.

11. Patients shall be required to pay in advance a weekly sum of not less than £1 1s. for adults and 10/6 for children under 12 years of age, but these amounts may be varied or remitted at the discretion of the House Committee, such variations to be submitted for confirmation to the Management Committee at its next meeting.

12. Patients shall provide their own body linen and washing. All other requisites will be provided by the Hospital. No food or drink shall be allowed to be brought in by patients' friends, except with the sanction of the Medical Officer or Matron.

13. Patients shall be allowed to see their friends at stated times, to be fixed by the House Committee. This rule, however, shall, under special circumstances, be subject to the discretion of the Medical Officer or Matron.

14. No patient shall stay longer than two months in the Hospital, except with the sanction of the House Committee.

15. The House Committee or the Medical Officer shall have power to discharge any patient who shall refuse to obey the regulations for the management of the Hospital.

16. Annual Subscriptions shall be payable in advance, on the 1st day of January in each year.

17. The Annual Meeting of Subscribers shall be held during January, when the audited accounts of the past year (ending December 31st) shall be submitted, and the Honorary Officers (with the exception of qualified Patrons), two Auditors, and the Committee of Management shall be elected for the ensuing year. Patrons and Life Governors and all Donors and Subscribers during the current and/or preceding year shall be entitled to vote at the Annual or any Special General Meeting.

18. At the request, in writing, of not less than four Members of the Committee of Management, or of twelve Annual Subscribers entitled to vote, the Secretary shall call a Special Meeting. The Annual Meeting and all Special Meetings shall be summoned by circular ; ten days' notice shall be given in each case. The non-receipt of such notice by any voter shall not invalidate the proceedings at any meeting. The business to be transacted shall be stated in the circular convening the meeting, and all matters shall be decided by a majority of those present entitled to vote.

19. A book shall be kept by the Secretary in which shall be entered the Minutes of all Meetings of Subscribers and of the Committee of Management, also a book with an account of Receipts and Expenditure. A book shall also be kept at the Hospital in which the Medical Officer shall make a report of all cases admitted and discharged. A book or record file shall be kept for complaints, and the Secretary will record details of all complaints received, names of Committee who enquired into them, and the result of their investigations and the action taken, if any, by the Committee of Management.

20. Any five members of the Committee of Management to whom complaints have been made may investigate such complaints personally, and report to the next monthly meeting the result of their investigation, and they may propose resolutions thereon.

21. These rules may be altered from time to time, at the Annual Meeting of Subscribers, upon due notice of the intention to propose any such alteration being given to the Secretary not less than three weeks previous to the Meeting ; but no alteration shall be made so as to authorise the reception of infectious cases of disease under any circumstances whatever.
